

Celebrating Pollinators and Wildflowers

Klamath National Forest

Sunday July 17 at Cabin Meadows 9:00 ~ 3:00
(meet at Forest Service Office in Fort Jones)

Join botanists and biologists for a fun day of learning about local avian and insect species that play an important role in pollination. The walk will also highlight the unique botanical area of Cabin Meadows and discuss the native wildflower species.

The day will involve a short, easy hike observing pollinators and native plants that occur in our local area. Guest speakers will discuss pollinator life histories, the state of pollinators in our area, and things that you can do to help conserve these important species.

Sunday: July 17: Meet at the Salmon/Scott River
District Office in Fort Jones at 9:00 am.

(11263 N. Hwy 3 Fort Jones, CA)

For more information contact Sam Cuenca at (530)
468-5351

Wear light hiking boots; bring binoculars, cameras,
water, and plenty of snacks.
